### Review Report to The Board of Directors of Cals Refineries Limited

1. We have reviewed the accompanying statement of Unaudited Financial Results of Cals Refineries Limited ("the Company") for the period ended December 31, 2015 ("Unaudited Financial Results"). This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these Unaudited Financial Results based on our review.
2. We conducted our review in accordance with Standard on Review Engagement (SRE) 2400, *Engagements to Review Financial Statements* issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Unaudited Financial Results are free of material misstatements. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Attention of the matters is invited regarding the financial statement of the company having been prepared on a Going Concern basis, notwithstanding that due to continuous losses incurred by the company during the past years and current quarter, the accumulated losses of the Company have far exceeded its net worth resulting its negative net worth on Balance Sheet date. The company had written -off a substantial part of its Fixed Asset during the previous years. This situation indicates the existence of a material uncertainty that may cast a significant doubt on the company's ability to continue as going concern.
4. Without qualifying our opinion we draw attention to:
  - (a) With reference note number 2, vide SEBI's order December 31, 2014 one of the director of the Company is prohibited from accessing the capital market for 10 years due to the fact that mentioned in that order. In context to this order, we are given to understand that the Company has obtained legal opinion that director's disqualification is not attracted as per the provisions of Companies Act, 2013 and we have relied upon the said legal opinion.
  - (b) Share application money pending for allotment of Rs.15.76 million has been outstanding since more than one year. We are given to understand that the Company has written a request letter to SEBI under intimation of Registrar of Companies, New Delhi asking for special permission to allot the equity share against pending application money. Further, management is of the view that the said Share Application money does not fall under the deposit definition as per section 74 of the Companies Act, 2013 and we have relied upon the said legal opinion.
5. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying the accompanying statement of Unaudited Financial results, prepared in accordance with the applicable accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
